

Fig. 1

Fig. 2

FIG. 1 is a cross-sectional view of a circular device. The device has an outer ring (110) and an inner ring (111). The central structure has four arms (105, 107, 109, 113) and a central hub (102). Various components are labeled with numbers: 101, 102, 105, 107, 109, 110, 111, 112, 113, 115, 116, 117, 118, 119, 123, 124, 127, 128, 134, and 135. Arrows A indicate specific features.
